

Good evening Bulls, we are excited to welcome back our students tomorrow morning for the first day of school. We have a revised bell schedule for Monday and Tuesday of this week. Please view it on our school website, this is important especially for our students that may have a class off campus.

In addition, **freshman** should not arrive on campus prior to 9:45 AM. Once freshman do arrive on campus they are to report directly to the cafeteria where they will then be dismissed for their first class.

There will be an iPad Parent Night this Wednesday, August 26, from 6:30 to 8:00 PM in the Cafeteria. This is an important event where program procedures, instructional practices and expectations will be reviewed. Parents will also have an opportunity to pay for their students insurance policy for the iPad they will receive on August 27th or 28th during lunches.

Please refer to our school website for further information. We look forward to seeing you all tomorrow morning!
