

Good evening Bulls, we have noticed an increase in 1st period tardies over the last several weeks. Please note that 1st period begins at 7:25 am and students are to be in class, and ready for instruction, at that time.

This is another reminder that student drop off is not in the front parking lot loop; student drop off is in the student parking lot. Please drive to the end of the lot closest to the gym before allowing students out of your car. We have cars stopping at various points within the parking lot that then causes the back up of cars and is a safety concern. The only students that are to be dropped off anywhere other than by the gym are those Band students that bring large instruments to and from school. The front loop is reserved for those that have legitimate business in the front office or student services.

We appreciate your cooperation so that all of our students can safely arrive to class on time each morning.

Thank you and have a good evening.
