Dear Parent/Guardian,

This letter is to inform you of the opportunity available this summer for students in need of credit recovery. Wiregrass Ranch High School will employ the school district's online credit recovery program, known as APEX, to enable students to recoup deficient credits. Extended School Year (ESY) summer school services will be offered from June 12th to July 13th from 7:25 AM to 11:05 AM. **ESY specific dates are: 6/12, 6/13, 6/14, 6/15, 6/19, 6/20, 6/21, 6/22, 6/26, 6/27, 6/28, 6/29, 7/3, 7/5, 7/6, 7/7, 7/10, 7/11, 7/12, 7/13.** Space is limited for ESY and priority is given first to seniors in need of graduating. Remaining open spots will be given to underclassmen beginning with juniors, sophomores and freshmen. A waiting list will be created once enrollment reaches its capacity. Transportation will be provided to those students who qualify to ride a bus.

If you would like your child to attend Wiregrass Ranch High School's ESY, please complete the information below **and return to Student Services by Thursday, May 11th**. Please understand that completing this form does not guarantee placement in ESY. Students will be prioritized by grade level and will be notified of their acceptance into the program. Please make sure to indicate on the form if your child will require transportation.

Sincerely,

Diamela Vergne
Assistant Principal
