Newsletter-Fall Semester 2017

From the Principal.....Robyn White

Welcome Back class of 2018, 2019, and 2020. Welcome to the Ranch class of 2021!

Building on last year's theme and moving back to the 7-period day, our theme for this year is "Come Together." We are still interested in having parents in the school as volunteers and to sit on committees. We encourage each of you to get involved in some way. In addition, we will continue to include student VOICE on committees throughout the school to allow them a format for input. Like last year, we will mail home TWO newsletters this year (one at the beginning of each of the two semesters) and then post all important information on the website, Facebook, and Twitter. In addition, if you would like to receive text messages, please follow the link below to subscribe. Everybody must subscribe in order to receive these messages. As always, we will continue to use the school connects messages to remind you of important events. We are hoping that through all of these methods, you will receive information about the happenings at the RANCH!

As summer vacations come to a close, it is now time to start thinking about all of the wonderful opportunities afforded students at WRHS. As you make final plans to return to school, Monday, August 14th, please review all the important information provided on our website and in this newsletter. Summer assignments for most of the AP courses and Biology Honors have been available on the website since June 1st and should be completed according to the timeline provided by the teachers. If you do not see your classes listed, there are no summer assignments to be submitted. WRHS will always provide an environment of rigor and relevant curriculum, offering 24 Advanced Placement courses, many on campus PHSC Dual Enrollment courses for college credit, plus numerous industry certifications for students in our Business Academy, Academy of Medical Professionals, and our Culinary Arts program. Using a 21st century approach to learning, it is possible that students could use some type of technology everyday. Students have access to WIFI, use of their own laptops and mobile devices including iPads, smart phones, and other portable devices. With the use of technology comes student responsibility to prevent loss or theft. Students should always secure valuables and not leave them unattended. Be mindful of areas such as the lunchroom, classrooms, and the locker room as these are areas where students tend to carelessly leave valuables unsecured. Keep them locked up or with you at all times.

As you all know, we continue to be overcrowded and have important procedures to help make our school a safe environment and provide a quality experience for all students, parents, and staff. Please continue to review information provided on the website, in this newsletter, on orientation days, and through messages sent by text, email, or telephone. Traffic should continue to enter the school from Mansfield Blvd. at the light, but may exit the school either at the light or on to Wiregrass Road. The traffic in the student parking lot will remain as is, with traffic flowing into the parking lot on the east side (closest to the building) and out on the west side (closest to the fields). As you enter the parking lot, the right lane is for student drop off and the left lane is for parking vehicles. Traffic in the morning is always busy, so prepare in advance. With approximately 50 buses arriving, 500 student drivers, 200 employees, and hundreds of parents driving to school, you **MUST** arrive early to prevent being late to school. Entering the campus after 7:10am will lead to students arriving late to class, impacting the quality of learning for everyone. Always follow the posted speed limits of 15 MPH at the entrance and 5 MPH in the parking lot areas. Traffic is not an excuse for being late to school. First period begins at 7:25am and all students should be in class at that time. Should you arrive later than 10 minutes to school, do not rush, just walk your child into Student Services and sign him/her in for an excused or unexcused tardy. Unexcused tardies include: missing the bus, sleeping late, alarm clock didn't go off, car problems, etc. For more information on attendance and tardies, please visit that section of this newsletter or the website. Everyone's safety is our number one priority. Arrive EARLY!

The start of the new school year brings with it both excitement and expectations. Please make sure you are familiar with the high school dress code as you make purchases prior to the start of the school year. Review the attendance policy, tardy policy, and code of conduct information with your child. All of this information will be included in this newsletter, on the school website, and in the Student Planner that every child will receive the first week of school through CANVAS.

Throughout first semester there will be many activities, please continue to check back to the website for important dates and activities. The calendars that are available are a good source of information. Please see information in this newsletter regarding Orientation Days and Open House.

Finally, as I mentioned in the beginning of this newsletter, we want parents involved in the school. We are all in this together! Please consider joining the PTSA, one of our Music Booster organizations, Athletic Boosters, or SAC. In addition, consider volunteering at the school at least once a month. We need volunteers to help with clerical work, mentors, tutors, and assisting with campus monitoring. Please see the information included in this newsletter to sign up as a volunteer TODAY! All volunteers help make WRHS an excellent school to learn, visit, and work. We look forward to seeing everyone at one of the Orientation times and Open House. Contact WRHS at (813) 346-6000 or visit our website at wrhs.pasco.k12.fl.us for further information. Have a great FIRST SEMESTER BULLS!

Please plan on providing your child with rain gear or a small umbrella (to fit in book bag or locker) for rainy days. Florida weather is unpredictable and we do not cancel classes in the portables when it rains. Plan accordingly.

Protection of School Instructional Time

The primary purpose of school is to provide instruction for students, and any infringement upon time designated for instructional activities is a failure to achieve that purpose. Therefore, classroom interruptions will be limited to emergency cases only. Please attempt to schedule all appointments after school. If you must check your child out from school, please plan ahead to allow time for a pass to be delivered to the classroom to retrieve your student. Calls to the classroom are prohibited. In addition, teachers will not be checking their email during school hours. Please allow teachers 24 hours to read and then respond to your emails and telephone messages. Deliveries of essential school-related items dropped off to Student Services during school time will be limited to the last five minutes of each class period. We will not be delivering flowers, cakes, balloons, etc. to student classrooms. We appreciate your cooperation, as we attempt to make this the best year yet!

On-Line Classes

Parents and students, please remember to register in advance for all online classes. Do not wait until school starts on Monday, August 14th. This will enable students to begin course work on the first day.

the issue or concern directly with the teacher by email or telephone. All conferences will be held from 7:00-7:25am or from 2:00-2:30pm.

ABC (Assist, Believe and Care)

The ABC committee would like to share some information with our Wiregrass families. ABC stands for Assist, Believe, Care and the goal of our program is to try to address those barriers that may interfere with the educational success of a child. The program does this by providing support to students and their families that are experiencing economic hardship or in an immediate family crisis. This year we are hoping to get the community and local businesses involved to support these needs during the holidays and throughout the year. If you would like to participate, are looking for assistance, or would like further information please contact Jill Wright at 813-346-6000.

Academic Honor Code for WRHS

As a student at **Wiregrass Ranch High School**, you have entered a community of student scholars and educators who are committed to excellence in education. Take the time to read and think about what you want your education to mean to you. It is assumed that all students will pursue their studies with integrity and honesty. This means that all work for which the student wants to receive a grade, credit or recognition will be the work of the individual student. Academic honesty is a very serious commitment to make, so please do not do so lightly.

Students have the responsibility to uphold the highest standards of **academic integrity** in the student's own work, to refuse to tolerate violations of **academic integrity** in the school community, and to foster a high sense of integrity and social responsibility on the part of your class and in the Wiregrass Ranch High School community.

Violations of the following infractions will result in severe disciplinary action by your teacher, which will include – but are not limited to – a grade of F on the assignment/test, a referral, and parental contact. The following are considered egregious infractions of the academic honor code:

I. Cheating

- A. Copying, in part or in whole, from someone else's test

- D. Committing other acts which defraud or misrepresent

II. Plagiarism

- A. Incorporating the ideas, words, sentences, paragraphs or parts of another person's writings without giving appropriate credit, and representing the product as your own
- B. Representing another's scholarly works such as written assignments or projects as your own
- C. Submitting a paper purchased from a research or term paper service, including the Internet
- D. Undocumented Web source usage

III. Other Specific Examples of Academic Dishonesty

- A. Purposely allowing another student to copy from your paper during a test
- B. Giving your homework, written assignments or other academic work to another to plagiarize
- C. Having another person submit any work in your name
- D. Lying to a teacher to improve your grade
- E. Altering a graded work after it has been returned, then submitting the work for re-grading
- F. Stealing tests
- G. Forging signatures of parents or other students on documents

H. Collaboration without permission of your teacher.

School Clubs

WRHS offers a variety of student clubs sponsored by staff and faculty. Clubs are voluntary, usually meeting once per month after school and provide an opportunity for students with similar interests to get together and conduct activities that they enjoy. In addition to our school clubs, WRHS has several service organizations such as National Honor Society, Spanish Honor Society, etc. Early September, WRHS will be holding a “Club Showcase” for students to find clubs that match their interests. Listen for information on date and time.

SAC (School Advisory Council)

SAC members shall be elected for two (2) years. At the end of two years, they may be re-elected. If you are a current SAC member within your two-year term, please confirm with Denise Goodridge at dgoodrid@pasco.k12.fl.us that you are continuing to serve your term. If you would like to run for an additional term, please complete the nomination form that is attached at the end of this newsletter. WRHS Parking & Driving Class

Parking decals for the 2017-2018 school year will be sold in the office of Student Services on August 2nd, 3rd, and 4th, from 8 am to 12 pm. Students who are planning on purchasing parking decals this year will be required to pay \$30.00 which is a \$15.00 increase from last year's price. Parking spaces are limited, and they will be sold on a first come, first served basis.

To purchase a parking decal for the 2017-2018 school year, a student must meet the following requirements:

1. Have a valid Florida driver's license and proof of insurance.
2. Show proof of residency. The residency address listed must match the address on the student's driver's license and be within the boundaries of WRHS using one of the following:
 - a. copy of utility bill
 - b. copy of a properly executed lease agreement
 - c. copy of a mortgage statement
 - d. copy of an affidavit of residence (if applicable)
3. Be cleared of all school financial obligations from the previous school year(s).
4. Have an unweighted at least 2.0 GPA.
5. Meet district's attendance requirements.
6. Complete the 2017 WRHS-Parking Application and complete the WRHS Driver's Safety Class, located on-line on the WRHS website.

The expectation is that students will have all of the required documents listed above when they come to purchase their decals.
