

# Success Plan at a Glance

**High Impact Instruction: Instructional staff will show evidence of rigor matched to their course standards.**

- Teachers will deliver lessons that are aligned to the rigor of the standards.
- PLCs will use data to plan for instruction.
  - Use of benchmarks tests, common assessments and end of the year comparative data
- Intentional planning for all student learning experiences will match to the rigor of the standards.

*Excellence in Student Achievement*

Goal

**1**

Goal

**2**

**Collaborative Culture: WRHS Faculty & Staff will be trained on Trauma Informed Care as it relates to our own personal social-emotional behaviors.**

- Prioritize staff wellness to ensure emotional wellness among instructional and non-instructional staff.
- Encourage self-care activities like exercise, healthy eating, counseling, and meditation.
- Continue with the Healthy Team Committee
- Provide training that creates awareness of chronic emotional stress and the importance of self-care.

*Excellence in Student Achievement and Employee Success*

**Data Driven Decisions: WRHS will offer tiered-level of supports to all grade levels.**

- A Freshman Orientation will be held in the summer.
- Freshman Toolkit will continue to address freshman specific needs.

Goal

**3**

- Problem Solving Committee PLC will identify, support, and monitor at-risk students.
- PLCs will use grade level data to plan for support and instruction.
- Students who miss 3+ school days will be identified and provided with supports to increase attendance.
- SSAP for all grade levels
- CLAW Course
- Data Meetings between PLC's and Administrators
- Data Training within PLC's.
