

Driver Education

Summer Program

Two Driver Education courses will be offered this summer at Wiregrass Ranch High School. The courses will span through 11 days. The dates are from June 10th to June 24th and July 8th to July 22nd at Wiregrass Ranch High School. The courses will provide approximately 30 hours of classroom instruction and the remaining time will be hands-on driving experience and practice. These courses **do not** provide high school credit but a certificate of completion will be awarded when the class is successfully passed.

We require that the student has a ride available every day for drop-off and pick-up from school. *The cost of the course is \$175.* Please make the check payable to ***James Irvin Education Center***. The class times will vary each day as the course includes class time and driving skills scheduled at various hours of the day. In addition, the course has the following requirements:

- 1. Student must have a Learners Permit.*
- 2. Student must have access to a ride to and from Wiregrass Ranch for the above-mentioned schedule.*

These are great courses for anyone trying to improve his or her driving skills in preparation for the road test. There is limited space available for these courses. It will be first come, first serve as we expect these classes to fill up quickly.

For more information or if you have any questions, please contact Mr. Finkel at gfinkel@pasco.k12.fl.us or call at 813-346-6000.
