Pasco County Schools Parent Portal Registration

Welcome to the Pasco County Schools Parent Portal Registration. The myStudent parent portal is a tool designed to enhance communication and parental involvement. This portal will allow you to monitor your child's progress in school by providing access to academic, attendance and test history information, as well as teacher communication options.

To create your Parent Portal Account, you are required to enter:

- Parent Pin Number
- Student ID Number
- Student Birthdate

Important Note: Each student will be assigned a PIN number. If you do not know your enrolled child's Student ID number or Parent Pin number, you cannot link to the child from home. You will need to visit your child's school and request it. Please bring along a valid Driver's License or a government-issued photo ID.
