Parent Request for Waiver of Academic Placement

A student's course placement is determined by current student academic performance, standardized state and district test scores, and teacher professional judgment. This waiver request is used when a student and parent(s)/guardian(s) course selection differs from the the school's professional recommendation for placement in a particular course. Prior to submitting this waiver request, parents are asked to speak with their student's current teacher to discuss concerns for placement and to gather additional information. This information may help clarify the reasoning for the recommended placement. If a student and parent would still like to request a course that differs from teacher's professional recommendation, this waiver request must be submitted to the Assistant Principal overseeing Student Services. Upon submission of this form, every effort will be made to honor the waiver request.

NOTE: Student course selections determine our course availability for the following school year. The expectation of the district is that if a student chooses a course, they will complete the course. Therefore, waiver requests that are honored require the student to remain in the course selected regardless of course performance.

Please complete the form below and turn in to the main office no later than June 14, 2024

REQUIRED: PARENT/TEACHER CONSULTATION

- AP Class Consultation: Parent is required to consult with the teacher of the AP course
- Honors/Upper Level Course: Parent is required to consult with the students' current teacher who made the course recommendation.
(Consultation can take place via phone, email or face-to-face)
