

Pasco County Schools is proud to share our **Health & Wellness Collaboratives website!**

This fantastic resource is here to help Pasco County families and communities find the support and services they may need. Community members can explore a wealth of information regarding medical, dental, and mental health services, as well as resources for clothing, food, and community connections. Dive in and discover all the amazing support available at [pasco.k12.fl.us/hwc!](https://pasco.k12.fl.us/hwc)
