WRHS's Meet the Teacher Day!

County-wide Secondary Orientation Day

Dear WRHS Students and Families,

Welcome! Students and families are able to access their schedules through their myStudent accounts at this time. MyStudent accounts require a 24-hour processing window from activation to be able to view it, so please create your account early. If you already have a myStudent account, you will not need to create a new one. Students will also be able to pay fees through Rycor at <https://www.studentquickpay.com/pasco/>. You will need a myStudent portal in order to access Rycor.

STEP 2: Once your myStudent Parent Portal is created or revisited from the 25-26 school year, you must agree to or deny all sections of the Parents' Bill of Rights.

STEP 3: Pay student fees. Go to <https://www.studentquickpay.com/pasco/>. In the blue Parent Account Activation box, select "Continue". Enter the email address associated with your Parent Portal account and select "send email". This will generate an email that prompts you to activate your account. Open your email and click the link. Continue by creating your password and activating your account. Once this is completed, you can view fees and items that can be purchased.

STEP 4: After paying fees, return to the myStudent home screen. Complete the steps below to view the student schedule.

1. Open the "My Child Tab" on the left side of the screen.
2. Open the "Class Schedule" tab in the box that opens to the right.
 - The classes listed are the current schedule for your child. These courses are connected to the fees that have been paid.
 - There is a way to print the schedule at the bottom of the screen.
 - Note: Schedules could change prior to the start of the school year as we balance and level classes.

****We are not entertaining schedule change requests during Open House. We have created a separate system to communicate requests to the assistant principals for each grade level. You can access the form on the WRHS website on the home page.**
