For your 11th grade Course Card, please have your current core academic teacher initial next to one (1) of the courses for their subject area (English, Mathematics, Science, Social Studies). During Junior year, you will take two (2) elective credits. Because you are not guaranteed your first choice, please select up to six (6) electives and number them in the order of preference (1-6). If a teacher recommendation is required (+), have your current teacher initial next to that course. Please do not write X's or check marks.

Can I take online courses?

If a student chooses to enroll in an online course as part of their WRHS schedule, the course can be taken on campus in the eSchool lab or off campus. If a student would like to take a course off campus, the off-campus placeholder must be placed at the beginning or end of the school day, and the student must have reliable transportation to/from campus each day. There must be a signed Late Arrival / Early Dismissal form on file with WRHS in order to take off-campus online courses. Students are not permitted to be on campus during an off-campus period of their schedule.

This is because English Honors 2 builds important writing skills that support success in college-level coursework. If you have PERT scores available, please attach them to your Course Card when submitting.
